PHILIPPINE CONSTRUCTORS ASSOCIATION

80+ YEARS OF SERVICE

PCA MEMBERSHIP

Since its founding in 1945, the Philippine Constructors Association, Inc. has grown from a small group of industry professionals into a nationwide organization with over 1,500 members, represented across multiple chapters and affiliated organizations throughout the country.

Its membership comprises engineering, building, trade, and specialty contractors duly accredited by the Philippine Contractors Accreditation Board, as well as suppliers of construction materials and equipment, along with distinguished individuals from the construction and allied industries.

MEMBERSHIP TYPE

Regular Membership

Firms duly organized under Philippine laws, actually engaged in the construction business, duly licensed as a construction contractor by the Philippine Contractors Accreditation Board (PCAB).

Associate Membership

Firms engaged in the business of manufacturing or supplying construction materials, supplies, or equipment to the construction industry.

Chapter Membership

Regional or city associations, composed of individuals, partnerships, and corporations.

Affiliate Membership

Associations or groups of suppliers of equipment, materials, and/or services allied with the construction industry, duly organized under Philippine laws.
